

## Image Consultations for Men

### Color Consultation

Clothes matter and color is the first thing people notices. Achieve a polished, put together look on a daily basis and project self-confidence and professionalism.

*In a customized color consultation you will know what shades to wear and avoid and how to combine colors successfully. Learn the psychology behind the colors and how to use them to your advantage – personally and professionally.*

#### COLOR SESSION INCLUDES:

- 45-Fabric swatch packet
- Your “Personal Signature” colors
- Color combinations specific to your coloring/contrast
- Complete accessory consultation (colors for shoes, jewelry, glasses, etc.)
- Individualized starting wardrobe guide
- Hair color recommendation (if applicable)

Price: \$175\* Individual    Individual Sessions 1.5 hours

\*Group discounts available

### Style Consultation

It’s more than just choosing clothes –  
It’s the science of body shape, proportions, profession and lifestyle to look  
and present your best.

*Discover the styles that fit and flatter your body, personality, and lifestyle. Style begins with knowledge of your basic image type and body line and design. From there you can dress who you are and make the most of what you’ve got – every day... effortlessly!*

#### STYLE SESSION INCLUDES:

- Wardrobe Profile – specifically designed for YOU!
- Personalized Style Booklet to guide you in choosing:
  - Hairstyles and Facial Hair
  - Glasses
  - Jewelry
  - Shirts and Jackets
  - Fabric and Prints
  - Slacks

Price: \$195 Individual    Session time: 1.5 hours
